

# DESIGN YOUR OWN CROWN

Follow the instructions to create your very own Crown. Don't forget to decorate it as well!

1. Decorate it using colouring pencils and collage materials.

2. Once your design is complete, use scissors to carefully cut two strips from the side of this sheet of paper.

3. Using sticky tape, attach the two strips together to make a longer strip.

4. Using the long strip, measure your head's circumference and attach the edges together using sticky tape.

5. Using scissors, carefully cut-out your crown design and using sticky tape attach it to the strip.

6. Now, place the crown on your
